## Long Arm Quilting Service

### Cost Calculation:

Quilt length x width x .025. Batting and thread included.

### Time:

approx. 4 weeks for edge to edge quilting. approx. 4-6 weeks for custom quilting.

If you need your quilt rushed there is a \$60 rush fee as it will have to be done after hours.

### Tips

- Be sure your backing is large enough – we need 4”-5” extra backing on every side.
- Piece your backing together before you drop off.
- Press backing before dropping off.
- Press all seams very well.
- Bring in on hangers after pressing.
- Consider stitching around the outer edge of your quilt top to keep seams from opening up.
- If using borders on your quilt make sure to attach them appropriately so the quilt lays flat.
